Who's the Sensual Libra man?

If there's a black belt in sexual stamina, he's won it. He's a born diplomat, a sensual man of luxury and the one lover you'll never forget. He's always up for making love and yet deep down he's more romantic than you would imagine. The Sensual Libra man tends to enjoy a long bachelorhood. He will take his time to get to the altar because he knows he's only going there once.

Sex Appeal, Charisma and Power

These are as natural to him as breathing. Take a look at the way he dresses, the way he walks with such ease and confidence and you can tell, this guy isn't just climbing up the ladder of success he's springing up it. Sensitive and idealistic, the Sensual Libra man has a weakness for beauty. He is a strong man who is ruled by his heart and not his eyes. Once committed, a Sensual Libra man usually stays close to home. If you are already in a relationship with a Sensual Libra man then you already know all about his little quirks. You know how he likes to make love all different times of day and night and in so many exotic ways. You know how moody he can be. One day he's as happy as a puppy at a picnic and the next day a dark mood rolls in like a level five thunderstorm.

What attracts a Sensual Libra man?

It's your eyes, your smile and your confidence. He's a man that is attracted to sensual, uninhibited women who are confident and know what they want. If you want his attention, then you have to pay attention to yourself. He will notice everything about you – like your nails, your dress and the way you carry yourself. He will look for signs to show him how you REALLY feel about yourself. His biggest turn on is a woman with super confidence. As a lover he is one of the best you'll ever have.

He's the ultimate nice guy who finishes last and doesn't mind.

His favorite orgasm? The next one.

Insatiable, Virile and Passionate

He's highly skilled and highly favored. When he makes love, you can expect the night to go slow and last long.

His secret sexual fantasy?

To discover what truly arouses you so he can then use that knowledge to drive you crazy in bed and keep you hopelessly addicted to him.

What does happiness mean for a Sensual Libra man?
